Letter From the President

Yes here it is....

Congratulation Colorado Mopar Members for another fantastic Car Show! This year we had 120 vehicles registered before we finally had to cut off registrations. There was at least 6 or more Mopar's we had to just say thanks for coming and good luck finding a place to park. We had about 20 new Mopar's that we have never seen before which is great that we have interfaced with them. Hopefully, they may have learned a little about our club too.

No doubt we will have to find a new place to hold this event since we have outgrown the Gunther Toody's lot. We will be forming an committee to seek out a place to hold future events at. Any suggestions of new locations would be appreciated.

The Arvada Fire Hot Times cool cars went off well last Sunday with many of our clubs members cars being featured near the 2009 give a way 2009 Challenger (which my wife did not win!)

Golden cruise coming up this Saturday, 9-5-09. new meeting spot for Mopar's is the Golden HS parking lot since King Soopers put the Ka bash on cars using their parking lot.

See ya this Friday!

John Quinn

Colorado Mopar 2009 President

8th Annual Arvada West POMS Car Show

On Sunday August 9th at the Arvada West POMS Car Show, Colorado Mopar club member Robert King took home a 1st place plaque in the 1973-Present Muscle Car class. Robert beat out nearly a dozen Corvettes, a slew of Mustangs, and a hand full of other makes and models to become champion in this class. I must say though, the judges were dead on with their pick of Robert's 2006 Dodge Charger Daytona. He had his vehicle polished to a near blinding shine, and his detail work was flawless. One of my favorite features of this car are the amazingly done ghosted flames that blanket the hood and the front fenders, don't rush by this gem or

you might miss these almost hidden works of art. Another eye popping feature of this car is the wicked air brushed mural under the hood, this piece of art is much harder to over look, very nice work. I hope that all of our club members have had a chance to check out this great looking ride. A very big THANK YOU goes to Robert for representing Colorado Mopar, and congratulations on the 1st place award.
